What are the elements that act as the spark and the fuel for storytellers and changemakers in their quest for a better world? Join a stellar panel including co-founder of Partners in Health Dr. Paul Farmer, president of the World Bank Dr. Jim Yong Kim, the filmmakers behind the documentary *Bending the Arc* and special guests for a conversation about commitment, collaboration and change. Presented by the Skoll Foundation in partnership with Sundance Institute.

Due to capacity limitations, admittance is granted on a first-come, first-served basis. Please note this highly anticipated event is expected to reach capacity, so be sure to RSVP and get your confirmation email. For questions, please contact events@sundance.org

This program is supported by the John B Rockefeller foundation.

The Sundance Film Festival is one program of Sundance Institute, a nonprofit organization that discovers and supports independent film and theatre artists from the U.S. and around the world, and introduces audiences to their new work.
